Our impact – Gold Coast

“We are forever grateful to Ronald McDonald House South East Queensland for providing us essential accommodation and support for our family when our son, Ashton, was diagnosed with a brain tumour and required immediate hospital admission. Ronald McDonald House South East Queensland relieved some of the financial burden during a very challenging time which allowed us to remain by Ashton’s side when he needed us most. They also welcomed us into a community we will always feel a part of.” – Glasson family, Gold Coast
