About Ronald McDonald House Charities South East Queensland

Ronald McDonald House Charities South East Queensland cares for families with children who are ill or injured. We provide essential services that remove barriers, strengthen families, and promote healing when children need healthcare, including accommodation.

Ronald McDonald Houses help families stay together in the midst of physical, emotional and financial stress, while being supported by dedicated and friendly staff and volunteers.

OUR IMPACT IN CENTRAL QUEENSLAND

"Without Ronald McDonald House, I never would have financially or emotionally recovered from the 6 months we spent in Brisbane while our son was in NICU. Lincoln was born at just 24 weeks, shortly after I was airlifted to the RBWH 6 hours from home. Forever grateful for a home to live in while my son received lifesaving care."
